

MOTHER TEACHER SCHOOL, BARNALA

(CBSE AFFILIATED SENIOR SECONDARY SCHOOL)

CIRCULAR NO.-MTS/2017-18/012

Month:-June

Dear Parent

“Happiness is in the air. Long awaited summer holidays are again ready to welcome you with their warm showers.”

The academic session 2017-18 has begun in full swing and students well settled in their classes. Now with the summer temperature soaring high, children look forward to vacation time when they can relax, visit friends and family, travel to see places and basically chill out enjoying those little pleasures of life which get left behind during the busy school routine. The summer vacation begins from **Wednesday 24th May, 2017** to **Saturday 1st July, 2017**. The school will **re-open on Monday 3rd July, 2017** at usual timings. **(8:50 a.m. to 12:30 p.m.)**

To ensure that the children have a constructive holiday, an assignment is given which will keep the child active and observant. This assignment can easily be done by the children and you could assist only where required. It will indeed provide an enjoyable learning experience. The holiday assignment will be given to the students in the class during school timings. Encourage your child to complete his/her assignment well in time. Students must complete their holiday assignment and submit it by **3rd July 2017** positively.

MAKE YOUR VACATIONS INTERESTING & USEFUL

Summer Vacations are synonymous with fun, frolic, getting up late in the morning playing for longer hours with friends, going for picnics, exploring new places and watching fun filled shows on television. But dear children, there is much more you can do to make your vacations more interesting, meaningful and full of fun, along with doing all your heart desires. Here is a summer vacation activity, “Treasure Box” just for you. It will surely mould you for a better and successful forthcoming year. So get ready for your treasure hunt.

- “Knowledge is power”. Therefore encourage your child to cultivate the reading habits because not only enhances the knowledge but also develop the vocabulary, language skills and improves spellings. And also read to your child because it builds reading skill and increases his/her attention span.
- “A healthy mind lives in healthy body”. Encourage your child to go out and play because sports instill discipline, generate sporting spirit, channelize energy constructively.
- Communication skills play a pivotal role in grooming the overall personality of the children. Converse with your child preferably in English to help him/her get comfortable with language. Encourage your child to read picture book like picture dictionary, 1000 words, short stories etc.
- Spend quality time with your child engaging him/her in activities based on enhancing his/her powers of observation and imagination.
- Encourage your child to play board games e.g. chess, Ludo, Carom etc.
- Sensitize your child about the rich culture and heritage by watching different informative channels like ‘National Geographic’, ‘Animal Planet’ etc.
- Encourage your child to do the activities himself/herself and appoint a specific time to do homework every day.

CELEBRATE ENVIRONMENT DAY AT YOUR HOME

World Environment Day is observed on **5th June** every year all over world to make commitment for the cause of maintaining green environment. At global and national levels lot of activities are organized to let people know about the significance of this day. Here we are giving you some green ideas to celebrate **WORLD ENVIRONMENT DAY** at your home just by taking care of your surrounding environment by yourself.

1. Switch off all unnecessary lights on the eve of World Environment Day and conserve energy.
2. Take food in plate as much as you eat to avoid creating leftover.
3. Instead of throwing away, feed the leftover food to birds and animals.
4. Don't honk on entrance of your home nor in street.
5. Put off tap while brushing and rubbing hands with soap and conserve water energy.
6. Use bucket instead of shower to use minimum water while bathing.
7. Reuse at least one used item on that day and make it your habit.
8. Give gift of sapling to your loved ones.
9. If there is space with soil in your home plant a sapling & water the plant daily.
10. Use jute/paper bag instead of polythene bag.
